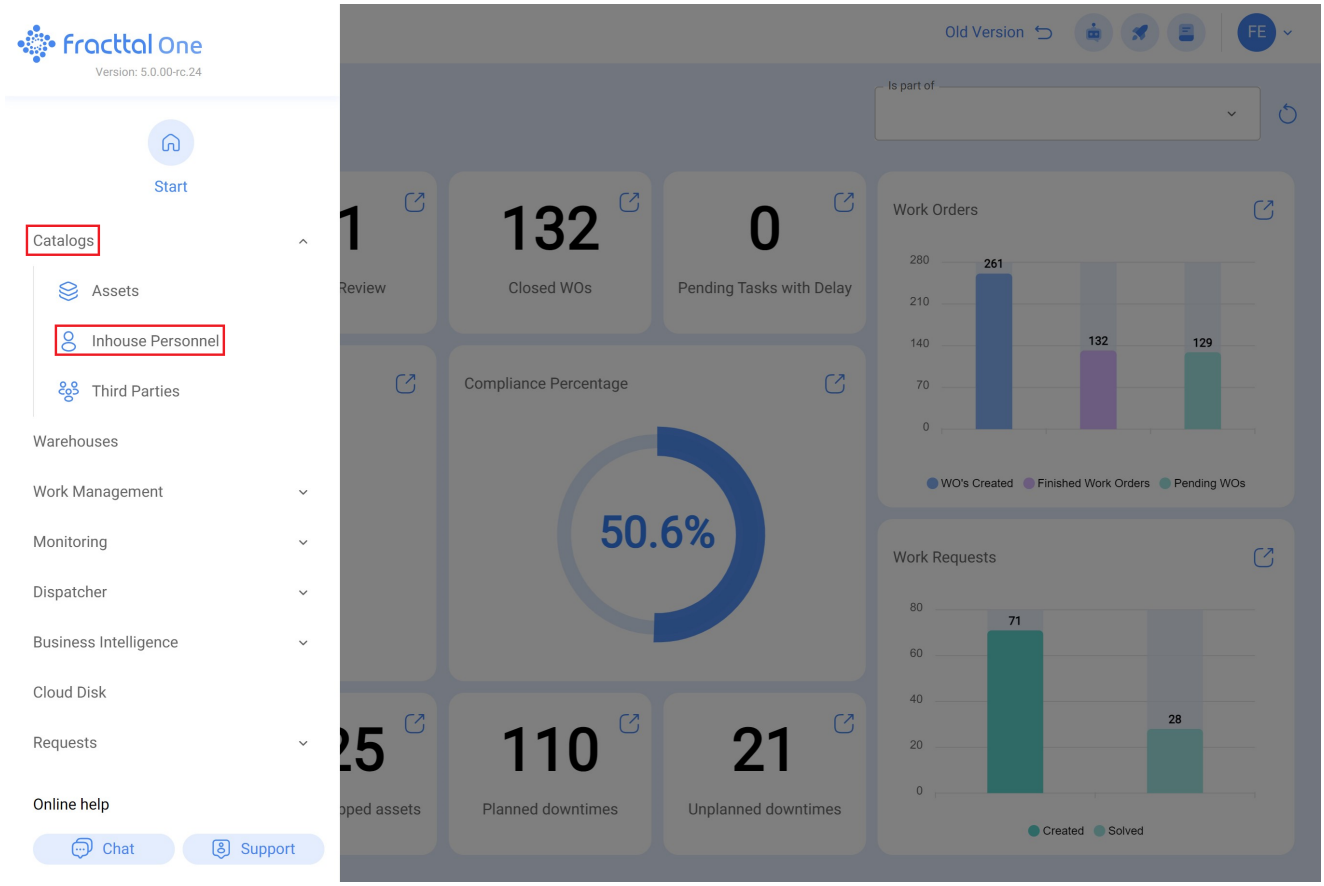
Inhouse Personnel (Human Resources)

help2.fracttal.com/hc/en-us/articles/25073249162893-Inhouse-Personnel-Human-Resources

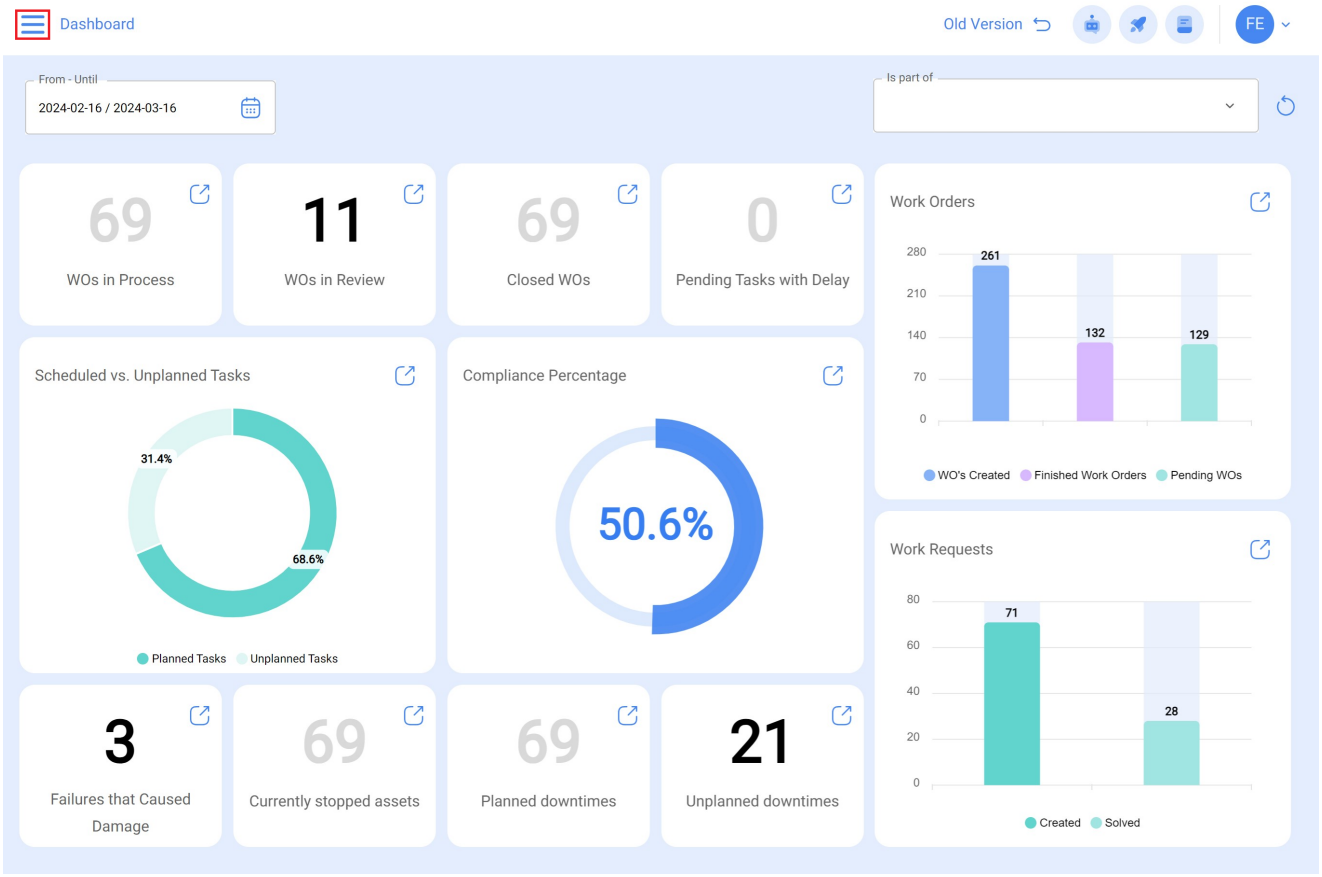


This module allows the control and record of the company's personnel in terms of information and delivery of assignments (tools). There is no limit in terms of capacity and records.

Note: It is important to mention that all access accounts to the platform (transactional user, request user, or reading accounts) should first be registered in the inhouse personnel or Third-Party modules, as required.

How to enter the Inhouse Personnel module?

1. Click on the “Main menu” button located in the upper left corner of the main bar of the platform.



2. Open the “Catalogs” menu

3. Click on the “Inhouse Personnel" module
