

# What kind of rules can you create?

[help2.fractal.com/hc/en-us/articles/24935032201997-What-kind-of-rules-can-you-create](http://help2.fractal.com/hc/en-us/articles/24935032201997-What-kind-of-rules-can-you-create)

The dispatcher module is one of the most flexible on the platform in terms of customization, since you can choose between different modules and options to establish the way that best suits what the organization need in terms of sending notifications.

Here, you'll be able to apply the following combinations:

<b>Modules</b>	<b>Sub-module</b>	<b>Event</b>	<b>Do you need to hire additional add-ons?</b>
