

How to enter the Economical Analysis module?

help.fractal.com/hc/en-us/articles/25197991328781-How-to-enter-the-Economical-Analysis-module

To enter just click on the main menu and look for the "Business Intelligence" module.

Then, all the associated sub-modules will be displayed, where you must click again on "Economical Analysis", to finally display the window with the section to analyze the resources associated with maintenance management.
