

How to access and use the Settings module?

help.fractal.com/hc/en-us/articles/24818679305485-How-to-access-and-use-the-Settings-module

To access the module, simply go to the options menu located in the top right bar of the platform and expand the available options. Then, just click on the “Settings” option.

By clicking, you will be able to access the platform's settings window:
