

I want to switch my current software to Fracttal One. Is it possible to migrate my existing data?

help2.fracttal.com/hc/en-us/articles/24987346728333-I-want-to-switch-my-current-software-to-Fracttal-One-Is-it-possible-to-migrate-my-existing-data

Yes, during Fracttal implementation, we support you in the collection of data to be uploaded, in the migration, data load and validation.

In case you do not have complete information on the assets, during the pre-project phase we will recommend the best path to follow.
