Fuso horário UTC

help.fracttal.com/hc/pt-pt/articles/24916719037709-Fuso-horário-UTC

O **Fracttal One** utiliza fusos horários validados pela IBM e verificados com a ISO 8601 para garantir a precisão na gestão de ativos e tarefas.

A plataforma permite que os utilizadores personalizem o seu fuso horário de acordo com uma lista fornecida. Esta configuração é essencial para garantir que as datas das tarefas planeadas sejam calculadas corretamente e evitar erros na criação de tarefas.

A seleção do fuso horário adequado às necessidades individuais assegura a precisão na gestão de ativos e tarefas, considerando diferentes localizações e fusos horários.

FUSO HORÁRIO 2025

Como definir o fuso horário a partir do módulo de configuração?

1. No canto superior direito, clique no menu onde aparece o seu nome.

2. Clique em "Configuração".

3. No lado esquerdo, clique em "Geral".
