

Is it possible to reschedule tasks once they are in a Work Order?

 help.fractal.com/hc/en-us/articles/41076630336525-Is-it-possible-to-reschedule-tasks-once-they-are-in-a-Work-Order

No, tasks can only be rescheduled when they are in the **"pending task"** status. Once a task has been included in a work order, it is no longer possible to reschedule it.
