

# Printing options – Help Center

[help.fracttal.com/hc/en-us/articles/25019250109197-Printing-options](https://help.fracttal.com/hc/en-us/articles/25019250109197-Printing-options)

The asset module allows several printing options, such as the possibility of printing the information registered in the asset (the asset card), or printing QR codes in label format.
