

How to reset your password after the activation link has expired?

help.fracttal.com/hc/en-us/articles/43996868251405-How-to-reset-your-password-after-the-activation-link-has-expired

If you were unable to set your password within **72 hours** after receiving the activation email, the generated link has expired.

To continue setting up your password, follow these steps:

Step 1: Request a new activation link

Click the **“Resend link”** button in the request email.

The link to change password has expired or is invalid

✔ If the account exists, an email will be sent with instructions to reset your password.

Step 2: Check your inbox

Check your inbox or the **SPAM** folder for an email sent from no-reply@fracttal.com with instructions to reset your password.

Reset Password

Hello [Jonas Campos](#),

We received your request to reset your account password. If you really wish to change it, click the button below. If you did not request this change, you can ignore this message.

Please note that this request will be valid for the **next 72 hours**. If it expires, you will need to make a new request to reset your password.
