Sur Fracttal One, vous pouvez importer vos informations initiales de manière massive via des feuilles Excel prédéfinies dans les modules suivants :

- **Actifs** (applicable à tous les types d'actifs)
- **Ressources Humaines**
- **Tiers**
- **Entrepôts** (valide uniquement pour l'importation initiale de stocks)

The screenshot shows the Fracttal One interface for the 'Equipos' (Equipment) module. The top navigation bar includes 'Activos Equipos', a search bar, and a 'Versión anterior' button. The main content area features a table with columns for 'Description', 'Enabled', 'Out of Service', 'Código', and 'Group 1'. The table lists various equipment items, including 'AGREGADO 1', 'Air conditioner', and 'Air Conditioners'. A context menu is open over the table, with the 'Importar' (Import) option highlighted in a red box. Other options in the menu include 'Abrir PDF', 'Exportar', 'Exportar masivamente', 'Imprimir QR', 'Eliminar Datos importados', 'Configuración de Campos', 'Clonar Activo', and 'Editar en Lote'. The bottom of the interface shows 'Mostrando 50 de 2993' and a blue plus button.
