

Does Fracttal One have a feature for auditing changes made in the solution (change traceability)?

help2.fracttal.com/hc/en-us/articles/24987223327757-Does-Fracttal-One-have-a-feature-for-auditing-changes-made-in-the-solution-change-traceability

Yes, we have an Add-on called TRANSACTION LOG where you can view the history of actions performed by each user within any of the modules. For example, you can visualize the user who deleted asset X, or check the day of deletion of Human Resource Y.
