

Quick actions from a mobile device.

help.fractal.com/hc/en-us/articles/25290550757005-Quick-actions-from-a-mobile-device

To begin using our quick actions from a mobile device, we must click on the dots that appear on the top right of the main screen that will open a menu with the actions option.

It will then open a window with the different quick actions that can be done from this option.
