

How many users do I have available in my account?

help.fractal.com/hc/en-us/articles/24984893859981-How-many-users-do-I-have-available-in-my-account

To verify the users who have been assigned an account to access Fractal, it is necessary to access the platform's "Settings" module.

Within this module, we will select the corresponding option for "User Accounts."

In this section, a detailed list of all users with an account will be displayed, allowing for management and review.

- General
- User Accounts**
- Business Calendar
- Modules
- Financial
- Auxiliary Catalogs
- Document Management
- Transactions Log
- Security
- API Connections
