Our free version of Fracttal One, **Free**, offers a lighter version of our Fracttal One CMMS/GMAO, in a 100% cloud-based solution, accessible from anywhere and any device, with the same quality, security, and infrastructure as our Fracttal solutions.

Fracttal One Free includes the ability to register assets such as equipment and locations, human resources, access to create planned and unplanned tasks, work order management, and much more.

To create an account in Fracttal One Free click on the following button.

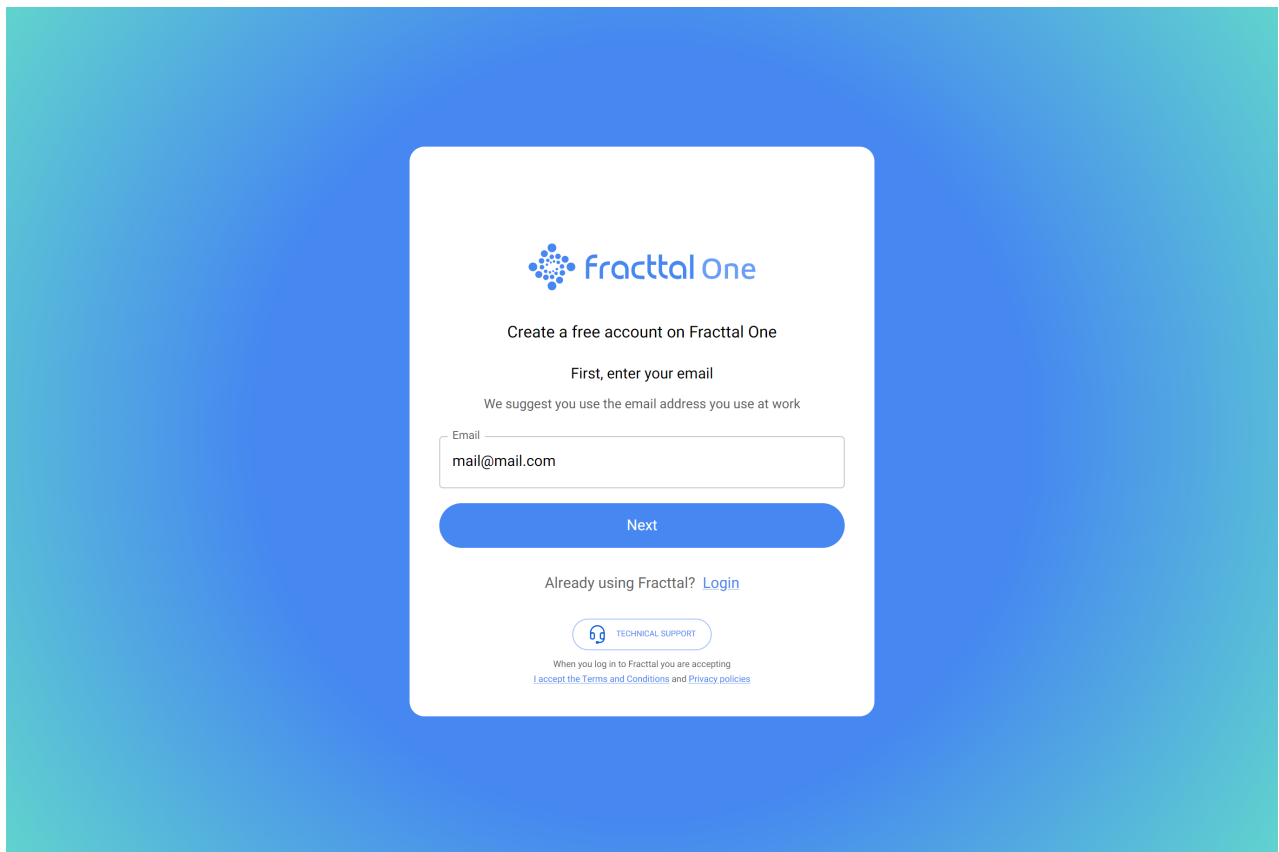

Login to Fracttal One

To register, just enter an e-mail (preferably a personal account) and click on the “Create an account” option.

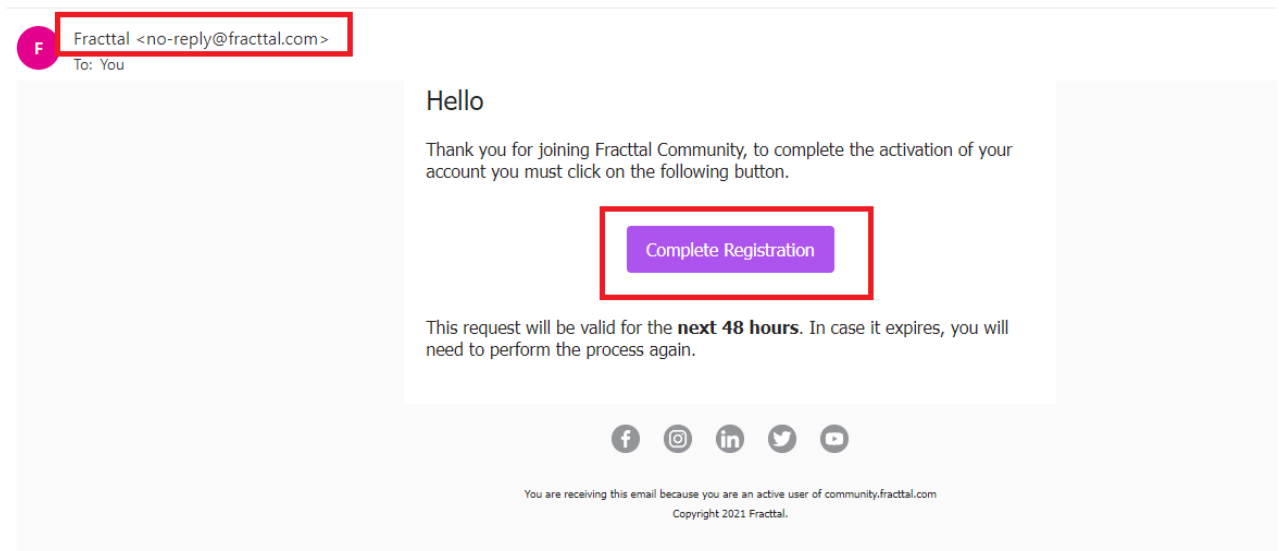

The image shows the Fracttal One login and registration interface. At the top is the Fracttal One logo. Below it is the text "Login with". There is a text input field labeled "Email" with a red border. Below the input field is a "Next" button. Below the "Next" button is the text "You can also login with:". There are three buttons: "Google", "Microsoft", and "SSO". Below these buttons is the text "Don't have an account?" followed by a "Create Account" button with a red border. Below the "Create Account" button is the text "5.0.00-rc.22". At the bottom is a "TECHNICAL SUPPORT" button. Below the "TECHNICAL SUPPORT" button is the text "When you log in to Fracttal you are accepting" followed by links to "I accept the Terms and Conditions" and "Privacy policies".

Then, the system will send you an e-mail with instructions about how to create your user account in Fracttal Community:

The following e-mail will arrive in your inbox (or spam folder), with the link to complete the process of setting up your account in Fracttal Community; click on the blue button 'complete registration'.

To complete your registration, enter all the required information and click on 'create new account'.
