

Barre de progression par tâche dans les Ordres de Travail

help.fractal.com/hc/fr/articles/47370134730381-Barre-de-progression-par-tâche-dans-les-Ordres-de-Travail

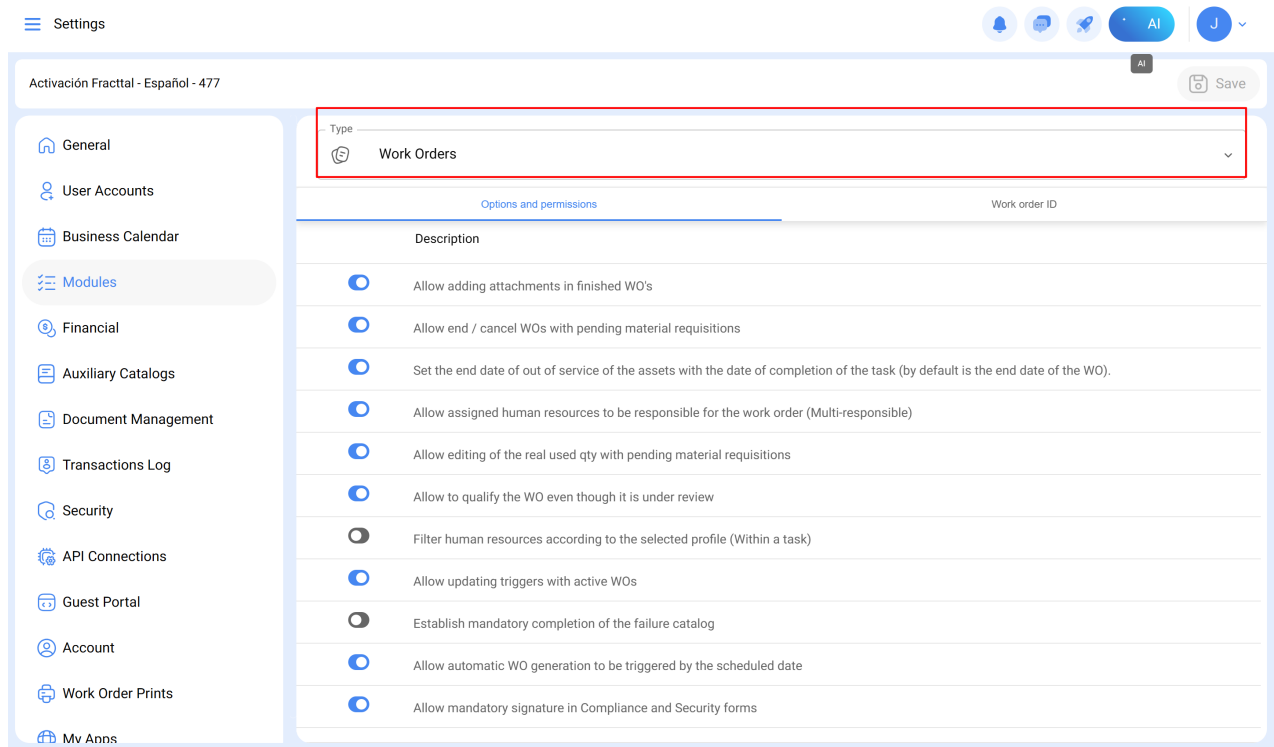

Chaque tâche au sein d'un Ordre de Travail (OT) affiche une barre de progression horizontale avec son pourcentage d'avancement, calculé en fonction des sous-tâches terminées. Cela permet de connaître l'état d'exécution de chaque tâche sans avoir besoin d'ouvrir chaque sous-tâche séparément.

Où se configure-t-elle ?

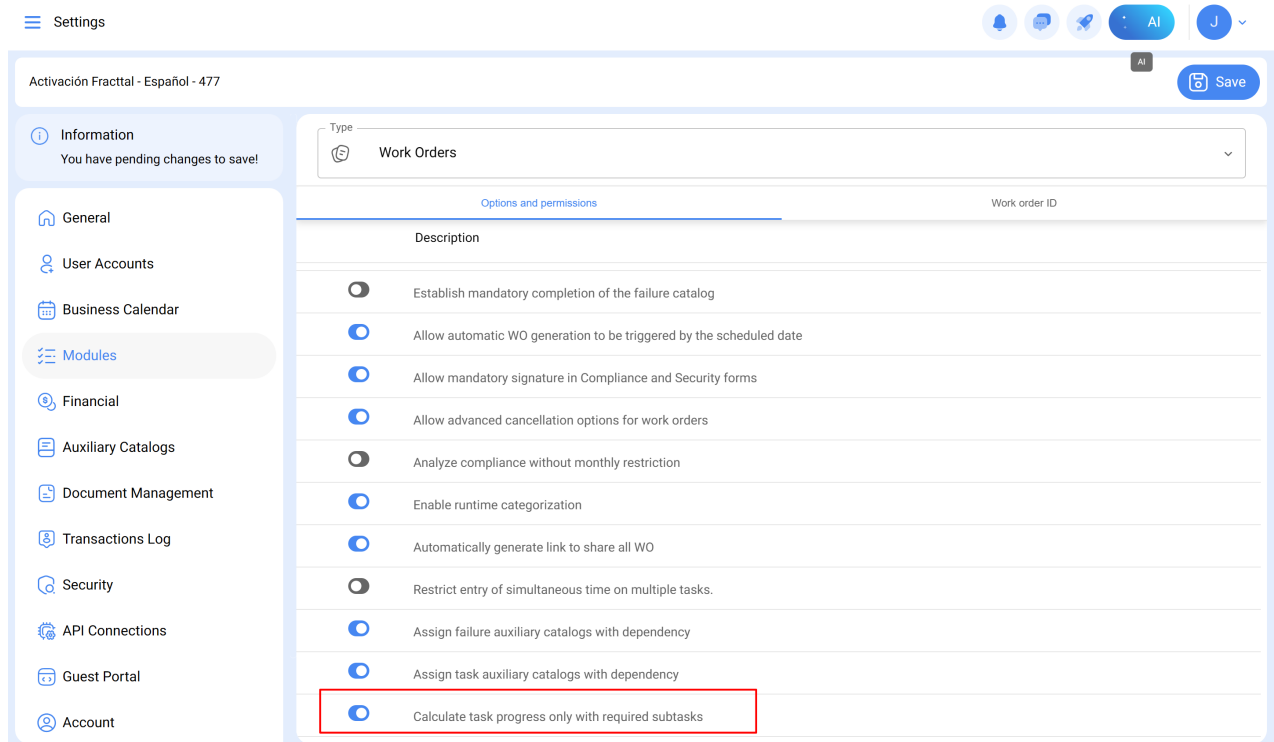

1. Accédez au menu utilisateur (icône en haut à droite) et sélectionnez **Configuration**.

2. Dans le panneau latéral, allez dans **Modules** et dans **Type** choisissez **Ordres de Travail**.

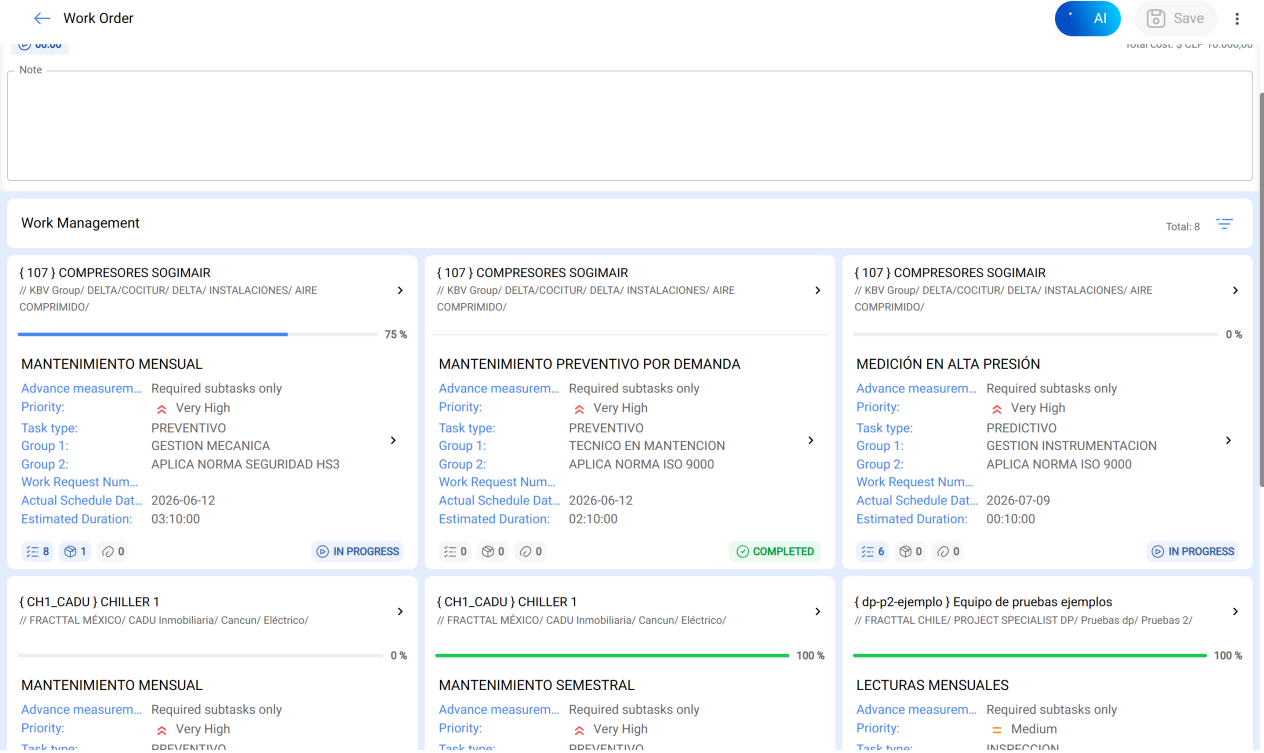

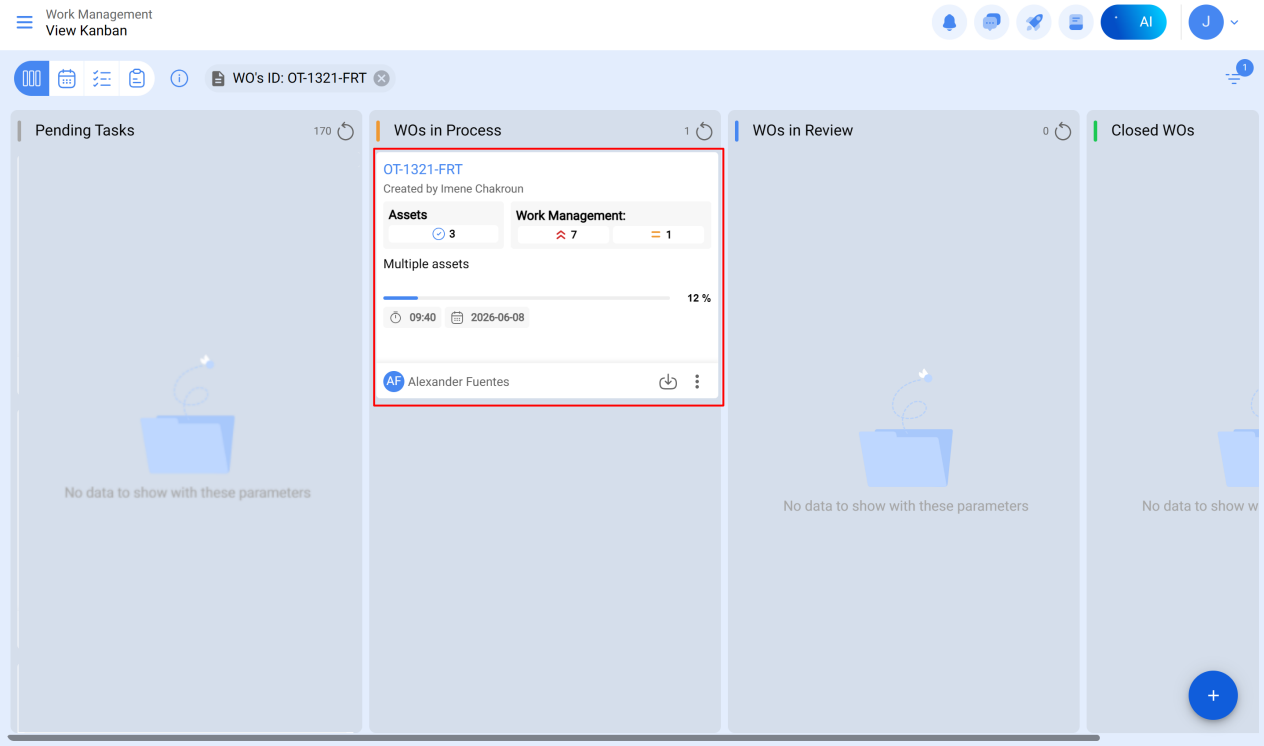

3. Dans l'onglet **Options et permissions**, localisez l'option « **Calculer l'avancement des tâches uniquement avec les sous-tâches obligatoires** ».

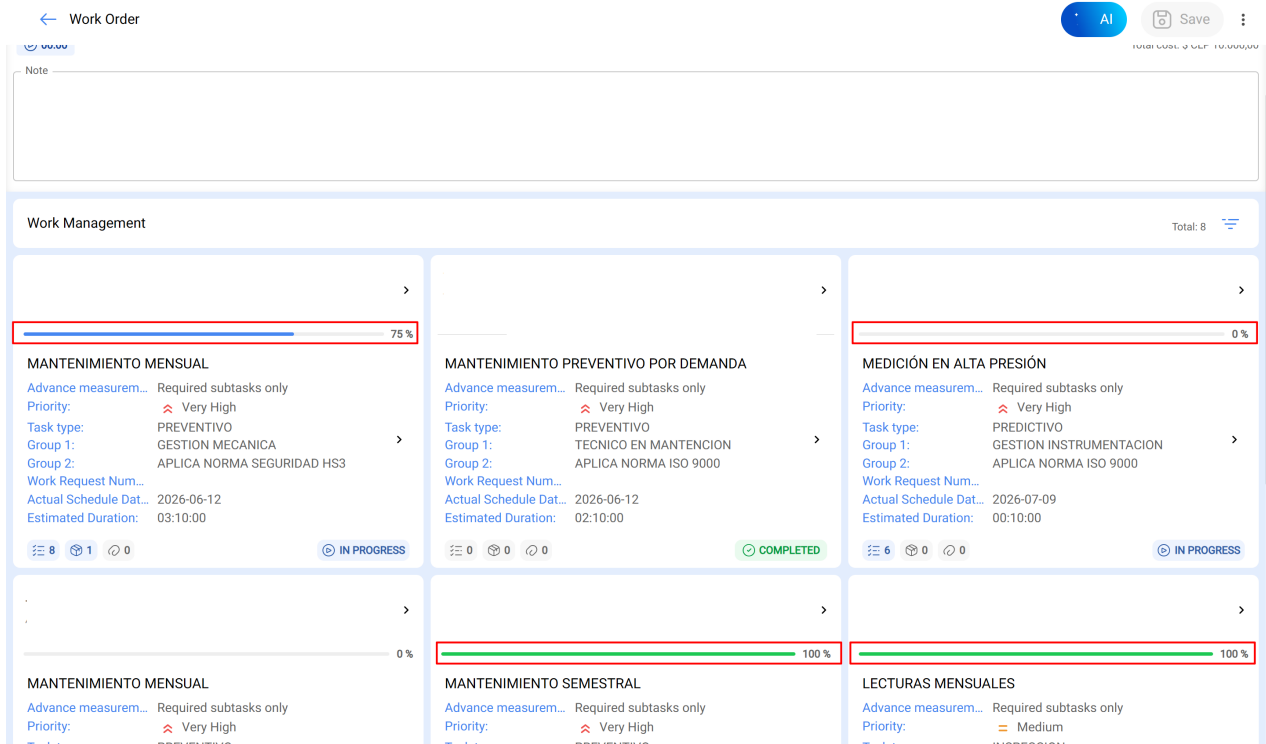

Comment cela fonctionne-t-il ?

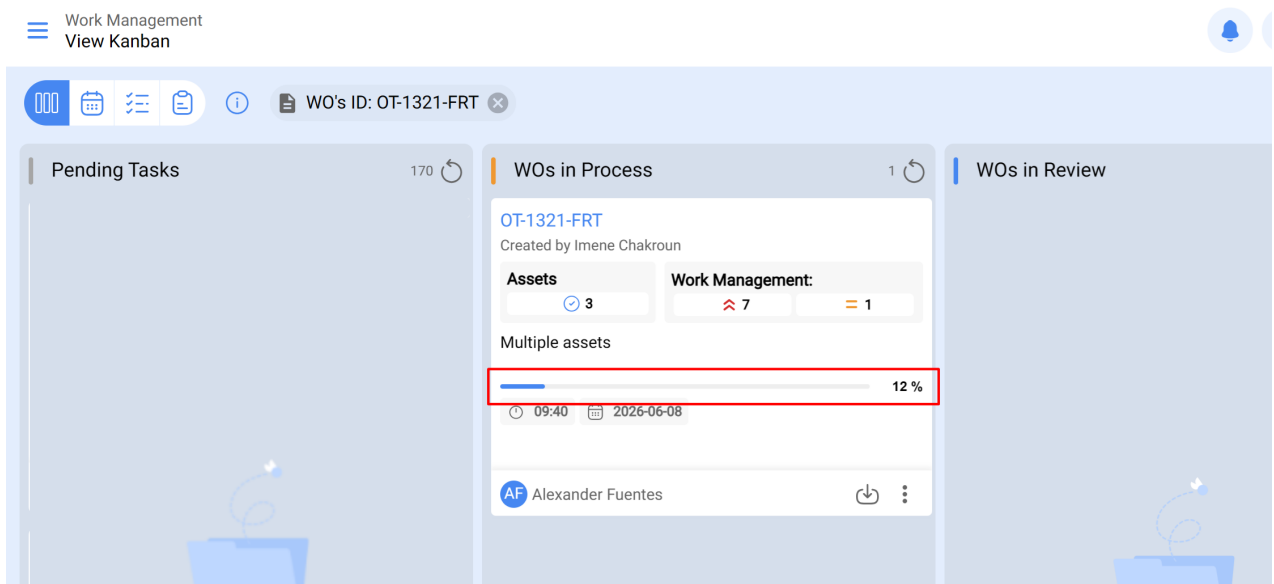

1. Ouvrez l'Ordre de Travail et allez à la vue des tâches.

2. Observez la barre de progression sous le nom de chaque tâche.

3. Au fur et à mesure que les sous-tâches sont terminées, la barre se met à jour pour refléter le nouveau pourcentage d'avancement.

États de configuration

Lorsque l'option est **désactivée**, le système prend en compte toutes les sous-tâches, obligatoires comme non obligatoires, pour calculer l'avancement et la clôture de l'OT.

Les sous-tâches non obligatoires sont exclues du calcul et n'affectent pas la clôture de l'ordre, même si elles restent visibles dans la tâche.
