

Assets

help2.fractal.com/hc/en-us/articles/25194685516813-Assets

This Module will allow the user to register and keep track of all the physical assets on the platform. Physical Assets are defined as any set of tangible resources that have current or potential value to help meet organizational objectives.

Asset types

In Fractal, assets are mainly classified in 5 different Asset Types, which are as follows:

- **Facilities (locations)**
- **Equipment**
- **Tools**
- **Spare Parts**
- **Digitals**
- **Maps**

How to access the different asset type views?

To access the asset type views:

1. Select the “Catalogs”.
2. Click on “Assets”.

3. Next, a new window will open, open the “All Assets” drop-down menu.

The screenshot shows the 'Assets Tree View' interface. At the top left, there is a menu icon and the text 'Assets Tree View'. To the right, there is a search bar with 'Q Search...', a 'Old Version' button with a back arrow, and three utility icons (user, chat, document). On the far right, there is a user profile icon labeled 'FE' with a checkmark. Below the header, there is a blue bar with a dropdown menu labeled 'All Assets' and a refresh icon. The main area contains a list of assets, each with a plus icon, a location icon, and the asset name followed by two slashes. The assets listed are: PARQUE, Maxiligas, Eliel .LTDA, Vórtice Consultoria Mineral, HAYCO, Clientes Rogerio, Edificio Palau, Tecnofast, ESTOQUE, Energy Services, and Empresa Matriz. A blue circular button with a plus sign is located at the bottom right of the list.

4. Finally, select the type of asset you want to view.

This screenshot shows the same 'Assets Tree View' interface as the previous one, but with the 'All Assets' dropdown menu open. The dropdown menu is highlighted with a red box and contains the following options: All Assets, Locations, Equipment, Tools, Spare Parts, Digitals, and Maps. The background list of assets is partially visible behind the dropdown.

The different types of Asset Views are:

- All Assets (Asset tree view)
- Facilities (List view of facilities)
- Equipment (List view of equipment)
- Tools (List view of tools)
- Spare Parts (list view of spare parts)
- Digitals
- Maps
