

# Customized Work Request Portal

---

[help.fractal.com/hc/en-us/articles/25054652091405-Customized-Work-Request-Portal](https://help.fractal.com/hc/en-us/articles/25054652091405-Customized-Work-Request-Portal)

This add-on is a tool that offers customization options for both the display and reporting of work requests. It requires access with a company-provided username and password and allows the login interface to be customized with the corporate logo.

Below, we will show you 3 interactive examples of how a customized work request portal can be displayed:

- [Example 1](#)
- [Example 2](#)
- [Example 3](#)

**Note:** The examples shown are fictional models used to visually illustrate what customized portals would look like.
