

# Are there any hidden costs other than the payment of the Fractal One subscription plan?

---

[help.fractal.com/hc/en-us/articles/24985616659469-Are-there-any-hidden-costs-other-than-the-payment-of-the-Fractal-One-subscription-plan](https://help.fractal.com/hc/en-us/articles/24985616659469-Are-there-any-hidden-costs-other-than-the-payment-of-the-Fractal-One-subscription-plan)

No, once you subscribe to Fractal One, the monthly cost covers all essential services, including access to the cloud software, security, backups, and technical support. No additional hidden charges will apply.

*Additional services, such as consulting and integrations, are not included in the monthly subscription and must be contracted separately, based on your organization's needs.*
