

Custom work views

help.fracttal.com/hc/en-us/articles/24886184898189-Custom-work-views

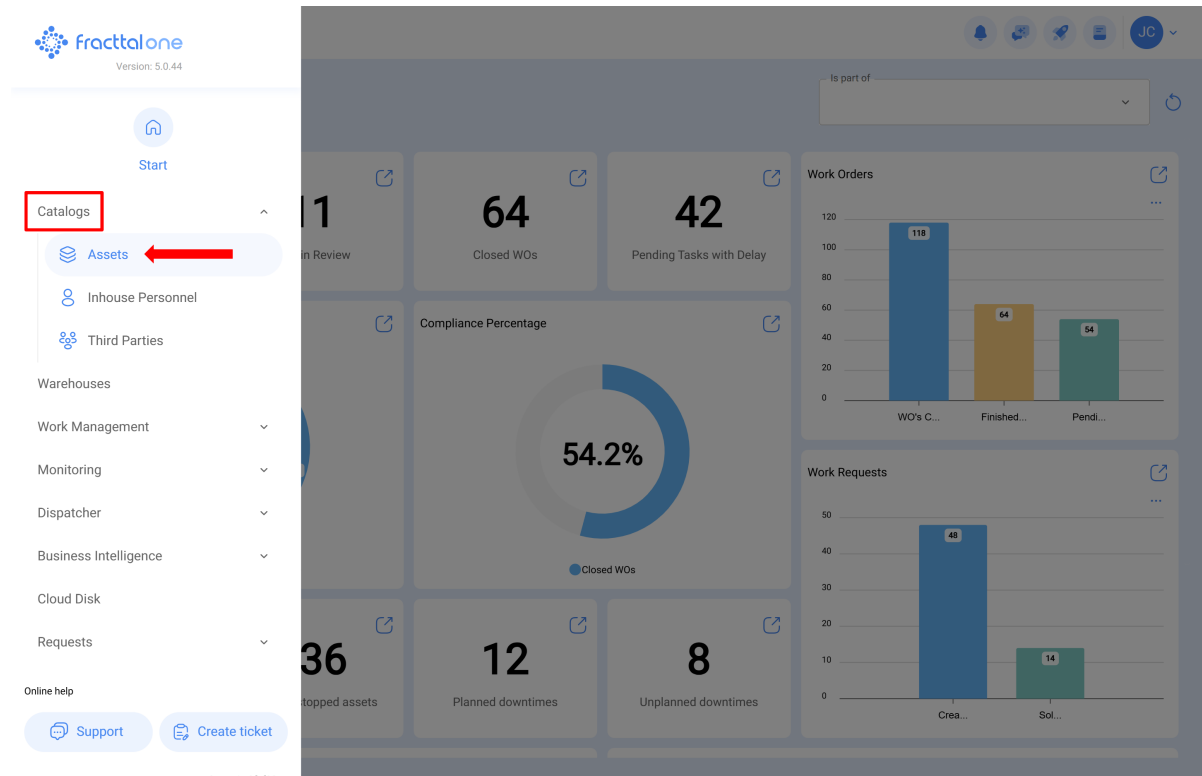

In Fracttal One, we have the functionality of 'Custom Work Views', a tool that gives each user the power to create and manage specific views. These views store relevant columns and applied filters, facilitating efficient access to managed assets. This feature not only streamlines interaction with the platform, but also provides the flexibility to create multiple working views with various filters and custom columns. In addition, the freedom to set a favorite view that is automatically displayed upon entering the module contributes to optimizing the user experience.

How to create a customized work view in Fracttal One?

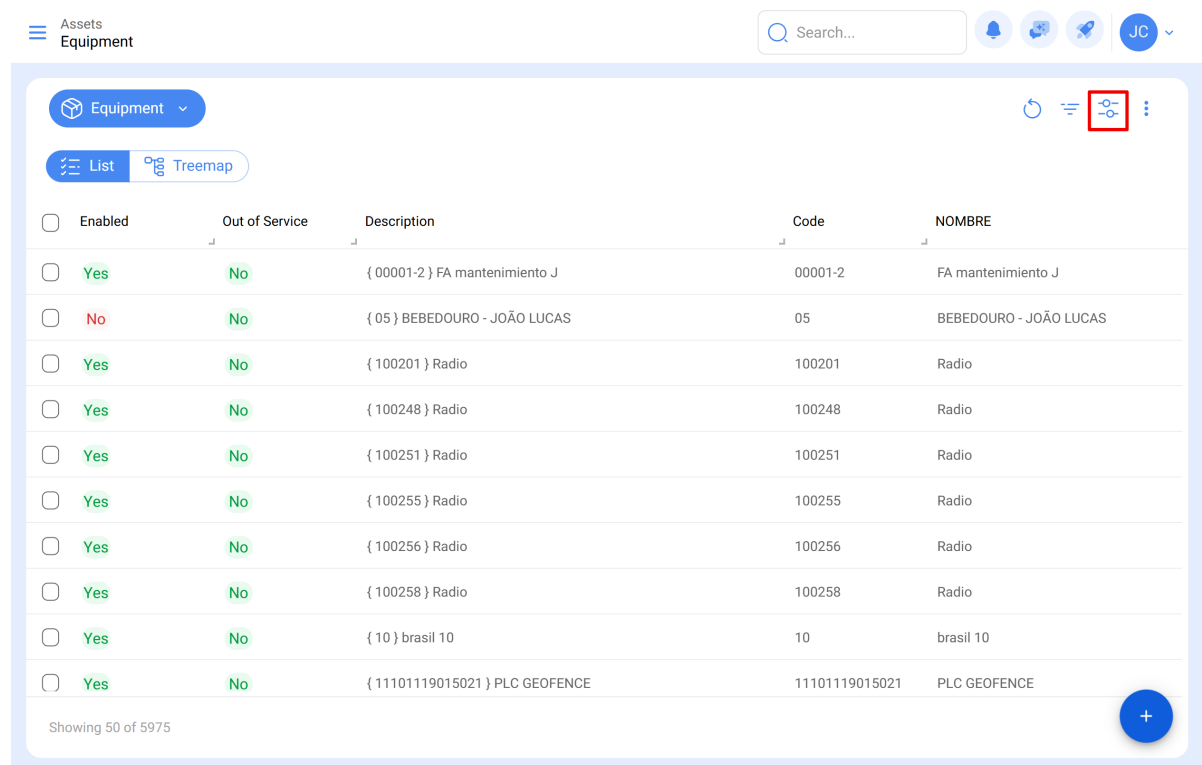

1. Inputs to Fractal One software.

2. Enter the module of interest, where you want to perform your customized work view (as applicable).

3. Once inside the module, click on the icon shown in the image, on the upper right side (In this example we are going to work in the catalogs/assets/equipment module).

4. There you will find two options, grouped by and show columns. Select the option of your interest.

The screenshot shows the 'Assets Equipment' interface. At the top, there is a search bar and a user profile 'JC'. Below the search bar, there is a 'Equipment' dropdown menu. To the right of the dropdown, there are icons for refresh, list, treemap, and a settings menu. The settings menu is open, showing 'Grouped By' and 'Show Columns' options. Below the settings menu, there is a table with columns: Enabled, Out of Service, Description, Code, and NOMBRE. The table contains 10 rows of equipment data. At the bottom of the table, it says 'Showing 50 of 5975'.

Enabled	Out of Service	Description	Code	NOMBRE
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 00001-2 } FA mantenimiento J	00001-2	FA mantenimiento J
<input type="checkbox"/> No	<input type="checkbox"/> No	{ 05 } BEBEDOURO - JOÃO LUCAS	05	BEBEDOURO - JOÃO LUCAS
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100201 } Radio	100201	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100248 } Radio	100248	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100251 } Radio	100251	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100255 } Radio	100255	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100256 } Radio	100256	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 100258 } Radio	100258	Radio
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 10 } brasil 10	10	brasil 10
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 11101119015021 } PLC GEOFENCE	11101119015021	PLC GEOFENCE

What can you do in the "Grouped by" option?

The "Grouped by" option is designed to organize the information according to the category we choose. That is to say, if I select the "Out of Service" option, it will first group all the assets of the equipment type that are disabled, then it will group those that are enabled.

This function is highly effective for classifying the information in a specific and orderly manner, allowing a better visualization and understanding of the data. ca y ordenada, permitiendo una mejor visualización y comprensión de los datos.

How to apply the custom view "Grouped by"?

1. Click on the "Grouped by" option.

<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 11101119015021 } PLC GEOFENCE

Showing 50 of 5975

7. Then click on the icon again according to the image.

The screenshot shows the 'Equipment' list view in a software interface. At the top, there's a search bar and a user profile 'JC'. Below the search bar, there's a 'Equipment' dropdown menu and a settings icon (a gear with a red dot) highlighted by a red box. The main area displays a table with columns: 'Enabled', 'Out of Service', 'Description', 'Code', and 'NOMBRE'. The table contains 10 rows of equipment data. At the bottom, it says 'Showing 50 of 5975' and there's a blue circular button with a plus sign.

8. Select "Saved View".

The screenshot shows the same 'Equipment' list view as before. The settings icon (gear with a red dot) is now open, showing a dropdown menu. The menu has three options: 'Asset Availability', 'Saved View', and 'Grouped By'. The 'Saved View' option is highlighted with a red box. Below it, there's a 'Show Columns' option. The table and other UI elements remain the same.

What can you do in the "Show columns" option?

The "Show columns" option is designed to allow you to select the columns you wish to display in the interface. In addition, you can position the columns to your liking by simply scrolling the name with a click and hold up or down.

With this feature in Fracttal One, we guarantee that the information the user is working with is customized according to his needs in the module where he wants to work.

How to apply the custom view "Show columns"?

1. Click on the "Show columns" option.

The screenshot displays the Fracttal One interface for the 'Assets Equipment' module. At the top, there is a search bar and a user profile icon labeled 'JC'. Below the search bar, a dropdown menu is open, showing options for 'Grouped By' and 'Show Columns', which is highlighted with a red box. The main content area shows a table of equipment items with columns for 'Enabled', 'Out of Service', 'Description', 'Code', and 'NOMBRE'. The table lists various equipment items, including 'FA mantenimiento J', 'BEBEDOURO - JOÃO LUCAS', and several 'Radio' items. A blue button with a plus sign is visible in the bottom right corner of the table area.

Enabled	Out of Service	Description	Code	NOMBRE	
<input type="checkbox"/>	Yes	No	{ 00001-2 } FA mantenimiento J	00001-2	FA mantenimiento J
<input type="checkbox"/>	No	No	{ 05 } BEBEDOURO - JOÃO LUCAS	05	BEBEDOURO - JOÃO LUCAS
<input type="checkbox"/>	Yes	No	{ 100201 } Radio	100201	Radio
<input type="checkbox"/>	Yes	No	{ 100248 } Radio	100248	Radio
<input type="checkbox"/>	Yes	No	{ 100251 } Radio	100251	Radio
<input type="checkbox"/>	Yes	No	{ 100255 } Radio	100255	Radio
<input type="checkbox"/>	Yes	No	{ 100256 } Radio	100256	Radio

Showing 50 of 5975

2. Then, select the titles that you want to appear in the interface and deselect those that you do not want to be present.

The screenshot shows the 'Assets Equipment' interface. The main table has columns: Enabled, Out of Service, and Description. The 'Enabled' column has a dropdown menu with 'Yes' and 'No' options. The 'Out of Service' column has a dropdown menu with 'No' and 'Yes' options. The 'Description' column contains text like '{ 00001-2 } FA mantenimiento J' and '{ 05 } BEBEDOURO - JOÃO LUCAS'. The sidebar on the right, titled 'Show Columns', lists various attributes with checkboxes: Enabled, Out of Service, Description, Code, NOMBRE, MARCA, MODELO, Serial, GARANTIA, CAPACIDAD DE ALMACENAMIENTO, Barcode, Priority, Type, Group 1, Group 2, Purchase date, Is part of, Hours of average daily use, and Visible to all. The 'Enabled' and 'Out of Service' checkboxes are checked, while the others are unchecked.

Enabled	Out of Service	Description
<input type="checkbox"/> Yes	<input type="checkbox"/> No	{ 00001-2 } FA mantenimiento J

Showing 50 of 5975

3. With a sustained click, change the order of the names according to your needs. The hierarchical order that you set in the box will also be reflected in the interface.

The screenshot shows the 'Assets Equipment' interface with a different column order. The main table has columns: Out of Service, Enabled, Code, and Description. The 'Out of Service' column has a dropdown menu with 'No' and 'Yes' options. The 'Enabled' column has a dropdown menu with 'Yes' and 'No' options. The 'Code' column contains text like '00001-2' and '05'. The 'Description' column contains text like '{ 00001-2 } FA mantenimiento J' and '{ 05 } BEBEDOURO - JOÃO LUCAS'. The sidebar on the right, titled 'Show Columns', lists various attributes with checkboxes: Out of Service, Enabled, Code, Description, MARCA, MODELO, NOMBRE, GARANTIA, Serial, CAPACIDAD DE ALMACENAMIENTO, Barcode, Priority, Type, Group 1, Group 2, Purchase date, Is part of, Hours of average daily use, and Visible to all. The 'Out of Service' and 'Enabled' checkboxes are checked, while the others are unchecked.

Out of Service	Enabled	Code	Description
<input type="checkbox"/> No	<input type="checkbox"/> Yes	00001-2	{ 00001-2 } FA mantenimiento J
<input type="checkbox"/> No	<input type="checkbox"/> No	05	{ 05 } BEBEDOURO - JOÃO LUCAS

7. Once inside, enter the desired name for the custom view.

The screenshot shows the 'Assets Equipment' page. On the right side, there is a red-bordered box containing a text input field labeled 'Description'. The main table lists equipment items with columns for 'Out of Service', 'Enabled', 'Code', and 'Description'. The table contains 14 rows of data, including items like 'FA mantenimiento J', 'BEBEDOURO - JOÃO LUCAS', and various 'Radio' and 'PLC Geofence' entries. A 'Showing 50 of 5975' indicator is at the bottom left of the table area.

<input type="checkbox"/>	Out of Service	Enabled	Code	Description
<input type="checkbox"/>	No	Yes	00001-2	{ 00001-2 } FA mantenimiento J
<input type="checkbox"/>	No	No	05	{ 05 } BEBEDOURO - JOÃO LUCAS

8. Click on "Save".

This screenshot is similar to the previous one, but the 'Description' input field now contains the text 'Custom Work Order'. On the right side, a red-bordered box highlights a blue circular button with a white document icon, which is the 'Save' button. The table and other UI elements remain the same as in the previous screenshot.

<input type="checkbox"/>	Out of Service	Enabled	Code	Description
<input type="checkbox"/>	No	Yes	00001-2	{ 00001-2 } FA mantenimiento J
<input type="checkbox"/>	No	No	05	{ 05 } BEBEDOURO - JOÃO LUCAS
<input type="checkbox"/>	No	Yes	100201	{ 100201 } Radio
<input type="checkbox"/>	No	Yes	100248	{ 100248 } Radio

Custom Work Order

- Saved View
- Grouped By
- Show Columns

11. Here you will find all your saved views and simply click on the star to activate or deactivate the view as needed.

The screenshot shows the 'Assets Equipment' interface. On the left, a table lists equipment items with columns: Out of Service, Enabled, Code, and Description. The table contains 12 rows of data. On the right, a 'Saved View' panel is visible, showing a list of saved views. The 'Custom Work Order' view is selected and highlighted with a red box. The panel also includes a star icon for toggling the view's status.

Out of Service	Enabled	Code	Description
No	Yes	00001-2	{ 00001-2 } FA mantenimiento J
No	No	05	{ 05 } BEBEDOURO - JOÃO LUCAS
No	Yes	100201	{ 100201 } Radio

No	Yes	111019014000	{ 111019014000 } PLC Geofence

You can also delete and edit the view; just select it and the other options will appear, as shown in the image.

This screenshot shows the same 'Assets Equipment' interface, but with the 'Custom Work Order' view selected in the 'Saved View' panel. The 'Custom Work Order' view is now checked, and the panel shows '(1) Selected'. The 'Custom Work Order' view is also highlighted with a red box. The panel now includes edit and delete icons (pencil and trash) for the selected view, along with a star icon for toggling the view's status.
